Dear Parent,

Cricket in India is much more than just a sport – it is a game that teaches children discipline, teamwork, patience, resilience, strategic thinking, and sportsmanship. At a young age, engaging in sports also helps children develop physical fitness, confidence, focus, and healthy social interactions.

Keeping this in mind, we are pleased to inform you that **Delhi Gymkhana Cricket Club** will be organizing a **Cricket Summer Camp** for the students of **Classes III to V of Salwan Junior School, Naraina Vihar**.
