### **Subject: Fee Payment through Credit Card on Edunext App**

SJS / Circular no. 014/ 2026-27

Date: 22 July 2026

Dear Parent,

This is to inform you that the school's fee payment gateway, provided through Edunext ERP by NTT DATA Payment Services India Pvt. Ltd., has so far been free of any charge to the school and to the parents.

As per revised banking norms, the credit card payment option will be a paid service with effect from 01 August 2026. Hence, all credit card payments will now attract an additional charge of 0.90% of the amount being paid, levied by the payment gateway provider.

Parents who wish to avoid the additional charge on Credit Card payments may use alternative modes such as Debit card, Net Banking, Wallets, and UPI, which remain free of cost.

We are aware that some parents are facing issues while using certain credit cards for fee payments. This is being looked into and will be resolved shortly.

Your cooperation is solicited.

**Warm Regards,**

**Mrs. Sonia Wadhwa**  
**Head of the School**
